

1. I promise to overdraft the checking
account

I promise to complain about the kitty litter
I vow to encourage us to try new and strange
things

I vow to fill your 'I love you' bank every day
I vow to never use a recipe when fixing dinner
I vow to be the best parts of me that fit perfectly
with the best parts of you

Although I will be imperfect, I pledge to be
sensitive and respectful of your unique talents,
abilities and quirks

I pledge to lend you strength for all of your
dreams

Through our union we can accomplish more
than I could alone

I believe in you."

2. "I want your worst—give me your bad hair
days, your long commutes, your burnt coffee,
lost keys, splashed shoes, annoying coworkers,
lost receipts, broken copiers. Give me your
everyday and I will give you my love to make it
alright."

3. “I Bride/Groom, take you, Bride/Groom to be my lawfully wedded wife and chief tennis doubles partner, for richer, for poorer, for better, for worse, in sickness and in health, for when we win and the very, very rare occasion when we lose. I promise to love, honor, and cherish you, to return your serves and do my best not to foot fault. This I vow to you.”

4. Bride/Groom: "I promise to forget to stack
the dishes on the right and leave stagnant water
in the sink

I promise to always drive the speed limit, even
on the freeway

I promise to cuss loudly at video games

I vow to snuggle you as often as possible

I vow to make you really really laugh out loud

I vow to always try one bite of any meal you
create

I vow to be the best parts of me that fit perfectly
with the best parts of you

Although I will be imperfect, I pledge to be
sensitive and respectful of your unique talents,
abilities, and quirks

I pledge to lend you strength for all of your
dreams

Through our union we can accomplish more
than I could alone

I believe in you."

5. "I promise to love and cherish you as much as I do our dog, Spot. From this day forward, I will lint roll the chairs whenever your parents visit. I will love you in sickness and in health, as long as you take care of the vet visits. I promise to cuddle with you as much as I do Spot and pick up treats for you whenever he gets some, too."
