

.....On behalf of Julia and myself, or should I say on behalf of my wife and me, we would like to thank everyone for coming today. Everyone has traveled in some way to be here and share this special day with us and we're delighted to see you all. A special thank-you goes out to those of you who have traveled a greater number of miles to be here today. It's quite humbling to realize that you're friends and family that care so much and are willing to travel all that way to share in your special day. Thank you for your cards, kind thoughts and of course all your wedding gifts. They're all greatly appreciated. Unfortunately, there are two people who can't be here today, my Dad and my granddad so, it would mean a lot to me if you would all stand for a toast in their memory -
To Billy McCleery and James Harrison Snr.....
