

FATHER OF THE BRIDE TOASTS

Example 1:

Please stand with me and raise your glass to toast the happy couple. (Bride's name) has been the light of my life for the past 25 years and today I hand her over to (groom's name). I know he will love and cherish her every bit as much as I do a toast to a happy and healthy life full of endless love and laughter!

Example 2:

Please join me in a toast to _____ and _____. (Groom's name), you have become like a son to me, and I am entrusting (bride's name) to you. Cherish every moment you have together. Let us all wish the happy couple a lifetime of joy!

Example 3:

Please raise your glass to the newlyweds. When (bride's name) was only 13 years old she told me that she wanted to marry (groom's name). I watched them grow from happy and carefree teenagers to happy, loving and caring adults. Let's offer a toast to many years of wedded bliss!

Example 4:

When (groom) first showed up at my front door, I never imagined he would be the one to steal my baby's heart. But here we are today, and I couldn't be happier for them. Let's raise our glass to (bride and groom) and wish them many years of happiness!

Example 5:

Please join my wife and I as we raise our glasses to the beautiful, kind and loving couple. We welcome you to our family, and we look forward to many years of holiday dinners, family vacations, and late night phone calls. Cheers to ____ and ____!
