

Introduction

Hi! My name is (your name), (daughter's name) father. She calls me “Dad”, to my face at least, but you can call me _____. I’d like to welcome all of our family and friends as well as _____ and _____ (groom’s parents.) as well as the rest of our special guests who took the time to share in this joyous day. I’d like to thank (officiant) for the moving wedding ceremony that joined (bride and groom) together for eternity.
